

Cast Iron Gas Stoves

BEAUTY AND BRAINS

NOTHING BEATS A CAST IRON STOVE TO ADD BEAUTY AND WARMTH TO YOUR HOME

The Concorde vent free cast iron gas stove from Monessen is the best choice for comfort, convenience and style. You'll appreciate the ease of installation only available in a vent free design. Suitable for nearly any space in the home, the Concorde vent free stove requires only a gas line hook up to operate. Crafted in traditional cast iron, these models offer up to 32,000 BTUs of space warming heat.

OUR GAS STOVES OFFER THESE GREAT FEATURES:

CAST IRON CONSTRUCTION

Nothing endures like cast iron. Used for years, cast iron ensures the most durable, beautiful stove available today.

OPTIONS TO SUIT YOUR STYLE

Available in two classic colors, you can add the warmth of fire to your home in just a few hours. Whether you use natural or propane gas, the quality and efficiency of the Concorde stove is yours to enjoy.

CONVENIENCE

Available in millivolt control with remote operation, you can operate the unit from the comfort of your couch. Winter power outages are no longer a concern—Concorde gas stoves will heat your home, even when the electricity goes out.

SAFETY FIRST

The Concord vent free stove comes standard with a fixed safety screen installed.

STANDARD FEATURES

- Millivolt with on/off switch and variable flame height control
- Flexible connector with On/Off valve included
- No venting required for ease of installation
- Consumer friendly deluxe control panel
- Single door design for full view of the fire
