

NAPOLEON

High Definition Series
napoleonfireplaces.com

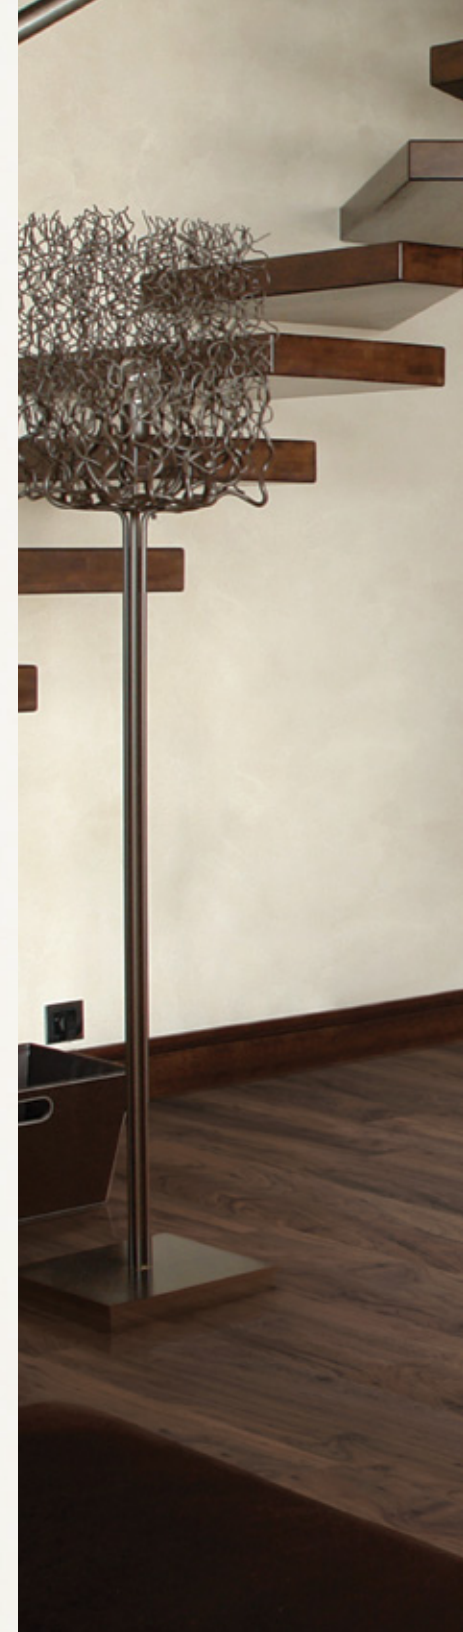

The High Definition Series Gas Fireplaces. Extensive Options.

The High Definition Series includes five different models that provide a wide range of heat output and a seemingly endless amount of customization decisions.

The High Definition 35, 40, X 40 and 46 fireplaces come with an exclusive PHAZER® logset that can be enhanced or changed out with glass media, driftwood logs or a stunning rock kit to change the style. The High Definition 81 has a choice between the PHAZER® logset, a Topaz CRYSTALINE™ emberbed and a River Rock media burner.

The X 40 model provides the design options and allure of the High Definition Series while boasting a higher BTU with ceramic glass, ensuring an option for everyone.

The High Definition X 40 shown with Newport™ Deluxe Decorative Brick Panels.

The Hight Definition 35 shown with MIRRO-FLAME[™] Porcelain Reflective Radiant Panels.
