Art Garage Presents **SANITY** – A Mental Health Inspired Art Exhibition

(Green Bay, WI) – The Art Garage announces the opening of a new gallery exhibition, **SANITY**, which opens May 30th through July 28th at their gallery at 1400 Cedar Street, Green Bay, WI. **SANITY** is a mental health inspired exhibition that aims to break social stigmas and offer an opportunity to face and understand mental health through the eyes of numerous artists from Northeast Wisconsin. **SANITY** is sponsored by Power for Change and the National Alliance on Mental Illness (NAMI).

“Mental health is one of the most common illnesses in today’s society and in our own community, but it’s a topic many people don’t feel comfortable speaking openly about,” says Pam Parish, Art Garage Board President. “We hope this exhibition will promote mental health awareness, create opportunities for learning, and stimulate many conversations that shed light on this important subject.”

The public is invited to meet with the **SANITY** exhibition artists at a free reception on Friday, May 31st from 7:00 PM to 9:00 PM. The reception will be held in the Art Garage gallery and will include refreshments, appetizers, and live entertainment.

The Art Garage is a local not-for-profit organization whose mission is to encourage an appreciation for and participation in the visual, performing and literary arts. The Art Garage hosts exhibitions, workshops, performances, and many special events, all geared to celebrate the arts in our community and the artist in all of us. The Art Garage Gallery is open Thursdays and Fridays from 3:00 PM to 8:30 PM, Saturdays from 12:00 PM to 8:00 PM, and Sundays 12:00 PM to 4:00 PM.
