

Shower Chair

The **ProBasics Shower Chair** is designed for individuals who require seating support and stability when bathing or showering. The chair features a comfortable contoured textured seat and back that can support patient weights up to 300 pounds. The angled legs have one-inch, easy-snap button adjustments and wide-based, non-skid feet for added sturdiness and safety. Tool-free assembly and limited lifetime warranty are standard.

FEATURES

- Aluminum frame is lightweight, durable and corrosion-proof
- Blow-molded bench and back provide comfort and strength
- Quick tool-free assembly
- Wide-based crutch tips help increase stability
- Two-hole handles in seat provide security when sitting or standing
- Legs are height adjustable with one-inch snap button adjustments
- HCPCS Code: E0240*
