Pneu Neck™ II Portable Cervical Traction

Roscoe's Pneu Neck™ II provides adjustable traction therapy and slowly inflates with air providing an even gentle stretch to help relieve neck, head and shoulder stiffness and stress. The inflatable cervical traction unit is portable and comes complete with a soft velour cover that is durable and comfortable. The Pneu Neck™ II has adjustable Velcro® tabs to compliment most neck sizes.

Product Features:

- Helps to straighten the neck and alleviate pressure on tight muscles, pinched nerves, neck discomfort, tension headaches, osteoarthritis, swollen discs and more
- Designed with three layers to prevent, control and diminish painful neck and shoulder discomfort
- Three air chambers gently inflate up to 7" with air through attached inflation bulb
- Easy-to-use, compact and ideal for traveling
- Soft velour cover enhances comfort
- One size fits most
- One year warranty
- HCPCS Code: E0856

Caution: This Product Contains Natural Rubber Latex Which May Cause Allergic Reactions.
