YOU MOVE THE SOUND. THE SOUND MOVES YOU.

THE TRUE X SERIES REDEFINES HOME ENTERTAINMENT

Our proprietary True X surround technology seamlessly combines the True X bar and True X speakers* - which can be transformed into portable Bluetooth speakers with a single button press - into one simple, flexible and comprehensive home entertainment system.

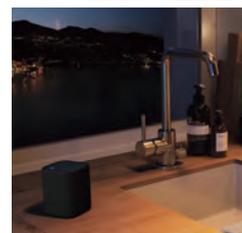

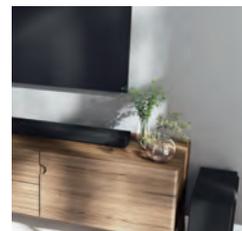

Transform your living space, and enjoy an immersive and authentic surround sound experience with True X.

IMMERSIVE AND FLEXIBLE REAL SURROUND SOUND

Redefine your perception of a home theatre experience with True X and unleash the full potential of your listening space.

Fully immerse yourself in your favourite music, movies and games without the need for a traditionally complex surround sound setup. The True X bar connects wirelessly to the True X surround speakers, allowing you to place them wherever suits your room.

ULTIMATE PORTABILITY

Portable. Flexible. Rechargeable. The True X speakers also function as portable Bluetooth® speakers.

Just hit the Solo button and you've got high-quality, weather resistant sound wherever you go!

ENTERTAINMENT IS LIFE

Embrace the freedom of enjoying your entertainment whenever and wherever you like with True X. Experience seamless integration between you and your favourite content, strengthening your daily listening habits.

The True X series includes the SR-X50A Soundbar, the WS-X1A Portable Wireless Speaker is sold separately.

YAMAHA TRUE SOUND WITH DOLBY ATMOS®

Enter an exciting new sonic world where our unique True Sound heritage intersects with Dolby Atmos®—and creates a breathtakingly three-dimensional state-of-the-art sound space.

AMAZINGLY WIDE SOUND FIELD

The addition of height speakers offers remarkable sonic possibilities and an enhanced sound stage. Our sound engineers have carefully selected these speakers to produce an unmatched three-dimensional sound field that creates a thrilling sense of spatial depth.

ROOM-FILLING BASS

Immersing yourself in the middle of the action has never been easier.

The True X bar 50A is accompanied by a convenient wireless subwoofer for flexible placement, providing powerful and impactful bass that will turn your space into a sonic universe — allowing you to feel every beat, rumble, and explosion like never before.

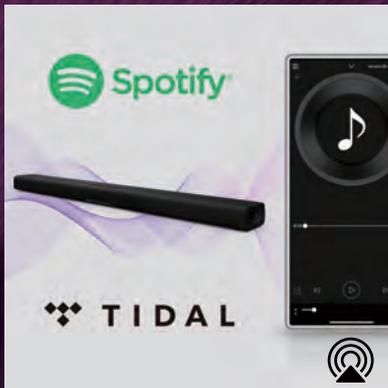

THE OPTIMAL EXPRESSION OF TRUE SOUND

The True X bar 50A has been engineered from its inception to deliver an exceptional level of performance and borrows from our True Sound principles that are used across our entire home audio offering. Every component, from the rear chamber, to the uniquely designed bass reflex port and external fabric covering were chosen for their ability to reproduce delicate nuances in sound.

THIS IS YOUR NEW ENTERTAINMENT HUB

CONNECT TO THE WORLD

Explore a new level of flexibility with a range of streaming services that are compatible with our dedicated smartphone app, enhancing your favourite music and movies with high-performance sound. True X is also compatible with AirPlay 2, allowing for seamless connection with compatible devices. *Music streaming service availability varies by region.

RESPONDS TO YOUR VOICE

The True X bar 50A is built with Voice Assistant compatibility. Control volume, inputs, and music by giving vocal commands, removing the need for remote controls or smartphone apps for usability.

CONTROL-LINKED TO YOUR TV

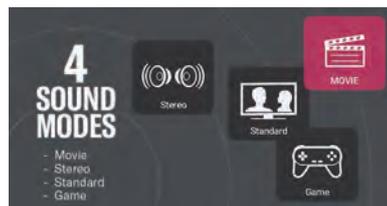

HDMI-CEC and eARC compatibility allows you to connect to a TV with a single cable, and use your TV remote control to operate basic functions on the True X bar. Power on/off and volume are automatically linked for even greater convenience.

OTHER ADVANCED FEATURES

CLEAR VOICE

Find it hard to hear TV dialogue? Our Clear Voice technology makes human voices more audible. Hear every word—from YouTube videos to movies and shows, especially when background music and sound effects try to take center stage.

FOUR SOUND MODES

Our audio experts have created 4 custom preset sound modes that will enhance the sound of your core listening sources with the push of a button. Standard mode is ideal for TV shows. Try Game mode to immerse yourself in your latest battle, and use Movie mode to create an expansive theater experience.

BASS EXTENSION

The True X bar 50A incorporates a built-in 75mm (3") subwoofer unit and dual passive radiators. In addition, the "Bass Extension" function enhances any bass signal to ensure a rich and powerful sound.

APP

SOUND BAR CONTROLLER

The Sound Bar Controller app provides easy operation for select Yamaha Sound Bars using your smartphone and tablet device.
