Dimensions (W x H x D)	243 x 157 x 113 mm
Weight	2.2 kg

Everything's connected

Enjoy content from any MusicCast-compatible device—or any Blu-ray or CD player connected to it—in any room in your house. You can also connect using DLNA to enjoy music stored on your PC or NAS.

**Enjoy music via Bluetooth® and from streaming music services**

Stream music directly from your smartphone or tablet via *Bluetooth*, and enjoy unlimited content from commercial streaming services. Use the MusicCast CONTROLLER app to pause/play and adjust the volume from your smart device.

**Bluetooth output for convenient music streaming**

The WX-030 is equipped with the latest *Bluetooth* technology, making wireless operation more convenient than ever. You can stream music from the WX-030 to *Bluetooth* headphones for private listening or to *Bluetooth* speakers for enjoying your music in another room.

* Bluetooth streaming can only be used for one device at a time.

Easy setup with your smartphone or tablet

Use your smartphone or tablet together with the MusicCast CONTROLLER app to operate the speaker and change settings quickly and easily. The same Controller app functions as a remote control for all your MusicCast-compatible devices too.

**Richer sound and deeper bass in a tiny package**

The amazing sound is thanks to the two-way speaker design coupled with Yamaha's DSP magic. A large passive radiator is the secret ingredient that enables deep bass to be produced from such a compact unit, while the onboard Music Enhancer smoothes out the stretched-out highs and muddled mids associated with over-compressed MP3 files. High-quality formats such as WAV, FLAC and ALAC are also fully supported. From pop to rock—everything sounds as it should.

Clean design, refreshing ease of use

The clean, simple design of the speaker allows it to fit right in, and its compact size makes it perfect for use in the kitchen or by the bedside, for instance. You can even mount it on a wall. A single touch-sensitive button switches the speaker on, opening up infinite ways to enjoy your WX-030 wireless speaker.
