MusicCast Wireless Multi-Room

Expand your MusicCast wireless multi-room setup. Stream and control multiple rooms with the MusicCast app for iOS and Android™.

Room-Filling Sound

Inside its sophisticated design lies surprising power generated from a 35 W + 35 W digital amplifier, aluminium cone woofers, and horn tweeters for exceptionally clear, powerful sound that fills your room.

Convenient Connections

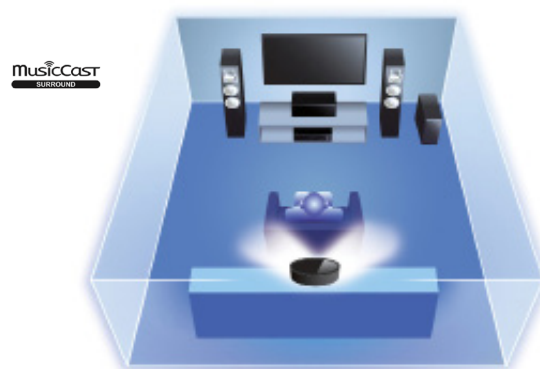

Features an optical terminal for direct digital TV connection and analog audio connections.

*Streaming service availability varies by region.

Wireless Surround

Combine a MusicCast Surround-capable AV receiver with one or two MusicCast 50 speakers, and enjoy the amazing convenience of creating a home theater with wireless rear speakers.

Hands-Free Operation with Amazon Alexa Voice Control

Alexa, Amazon's cloud-based voice service that can be used to control all kinds of devices, can now control MusicCast products. Kick back on your couch and ask Alexa to play music on your MusicCast 50 wireless speaker without lifting a finger.
