

## It's Time for a Truly Connected Home Theater

Binge-worthy. Supports your 4K Ultra HD TV, streams your music via Wi-Fi® and lets you create a wireless home theater with MusicCast Surround.

- DTS® Virtual:X™ virtual 3D surround sound and included wireless subwoofer bring powerful, lifelike sound to your entertainment
- Create a 5.1 channel wireless home theater by adding MusicCast 20 or 50 wireless surround speakers
- Create a multi-room audio setup by syncing with other MusicCast speakers
- Simple setup for TV with HDMI, optical or aux
- Stream your favorites with a variety of connection choices – Wi-Fi®, Bluetooth®, AirPlay® or Spotify Connect

### Sound That Puts You in the Movie

Enjoy your movies and TV shows in virtual 3D surround sound. Ideal for use with any multichannel content, including DTS- and Dolby-encoded soundtracks, it creates more spacious, lifelike sound for all of your favorite entertainment.

### What Was That?

Say 'goodbye' to hard-to-hear dialogue with the MusicCast BAR 400. Clear voice makes the sound of narration and dialogue more distinct, while keeping the overall sound quality intact.

### Wireless Subwoofer

Experience explosive bass while enjoying the versatility of being able to place the included wireless subwoofer anywhere in the room.

### Style for Tabletop or Wall Mount

Slim, sleek design made to look great and fit discreetly in front of your flat panel TV on a cabinet, or underneath it wall mounted.

## Easily Connect

Connect the MusicCast BAR 400 your way. For TV sound, connect with optical or HDMI for 4K Ultra HD, HDR and Dolby Vision™ pass-through. For music, connect with Bluetooth®, AirPlay®, or Spotify Connect with the MusicCast app.

## MusicCast Streaming

The MusicCast Controller app lets you explore a world of music. Use it to stream your favorite music services, downloads or music from your computer and other devices straight to your MusicCast BAR 400.

## MusicCast Surround

For all-immersive, riveting sound without a bunch of wires, create your own MusicCast 5.1-channel surround setup using your MusicCast BAR 400. Add a pair of MusicCast 20 speakers or a single/pair of MusicCast 50 speakers for wireless rear surround sound.

## MusicCast Wireless Multi-Room Audio

MusicCast takes the headache out of multi-room audio. Simply connect all MusicCast devices to the same network and start sharing audio throughout the home.
