DTS Virtual:X

Immerse yourself in the latest blockbuster with exhilarating 3D surround sound delivered by DTS.

DTS Virtual:X envelops the audience with a 3D sound field that seems to come from all around.

Experience wide and immersive sound, all from a single sound bar solution.

Clear Voice

Finding it difficult to hear the dialogue in the latest action blockbuster? Clear Voice mode accentuates vocals so you don't have to keep adjusting the volume.

Easy to install, easy to use

The YAS-109 is the instant upgrade to your TV sound. With HDMI-CEC, you can even use your TV remote control for added convenience*.

*Requires HDMI-CEC compatible TV.

Voice control

"Alexa, turn the volume up in the lounge room."

With Alexa voice control integration, all you have to do is ask. The YAS-109 offers built-in Alexa voice control for easy control of your sound bar, smart home devices, music and more.

Additionally, a Mute feature ensures your privacy when needed by muting Alexa.

Seamless music streaming

Simply pair your Bluetooth device with the YAS-109 and start streaming your favorite tunes or video sound wirelessly to your sound bar.

Or stream music via Wi-Fi with Spotify Connect, Amazon Music or the content stored on your phone and NAS devices.

All-in-one design

Simple and sleek. The YAS-109 features dual subwoofers built in.

In addition, the YAS-109 can be wall mounted without additional wall-mounting brackets.
