

2019 Dance Concert Photos

Once again, Ken Dworkin of PBK Digital will be photographing our Concert Costume Portraits, as well as our 2019 Annual Dance Concerts, at the cost of \$25 per dancer (\$20 per dancer for families of two or more performing siblings).

Costume Portraits will be shot on **Saturday, May 25th** and **Saturday, June 1st**. **All dancers are required to attend group shots of all dances in which they participate**, unless otherwise permitted by the Director, in advance. Opportunities for individual photos in each dance's costume will be available after each group shot.

Additionally, both the Friday evening and Saturday matinee performances will be photographed.

All photos will be available online, for purchase of downloads and/or prints, at nominal a la carte and package pricing.

Mandatory \$25 photography fee per dancer due May 22, 2019. Please make checks payable to Project C Studios. *Photography fee covers portrait set up, tear

down, photographer travel and shoot time for both Portraits AND Performances, and photo retouching, as well as ensuring that a la carte and package prices stay as low as possible.

Costume Portrait Schedule Below | Date & Location: Saturday, May 25th and Saturday, June 1st at Project C Studios

- Arrive at least 15-20 minutes ahead of your first scheduled photo session
- Arrive in your first dance costume of the day, with a cover up
- Wear makeup in the style described in the Concert Hair & Make Up sheet, but apply no heavier than regular day wear (dancers under 10 can opt for light mascara, blush, and lip gloss.)
- Wear hair with the ability to make quick changes. For group shots, hair will be according to Concert Hair & Make Up sheet. For individual shots, hair may be styled as you prefer.
- Bring all shoes and accessories that accompany your costumes
- The shoot schedule is arranged according to the Concert line up. This is done specifically so that we can use this as an opportunity to go over blocking for performance stage transitions between dances prior to the start of Tech week (which keeps tech week rehearsals running on or ahead of schedule). For this purpose, it is imperative that you not only attend your group photo session, but also arrive 15-20 minutes early. We thank you for your cooperation!
