reflexion

V I D E O G R A P H Y

Video of both Friday and Saturday performances of *Finding Home* will be shot by Reflexion Videography, and available online for free viewing, sharing, and downloading for all Project C families and friends at the **cost of \$25 per family** (to cover production), Reflexion is making it easy and cost effective for all families to hold on to the memories we create on stage. The video link will be distributed to all participating dancers following the Concert via email. The video is expected to be available approximately two weeks after the close of performances.
