

2019 Winter Concert Hair, Make Up, & Costume Info

Female Make-Up: All makeup should be complimentary to the dancer's skin-type and coloring. As this is a semi-informal performance, make up *should not* be full stage make up, but rather more of an "everyday wear", simply meant to accentuate and define features.

Face--- Light foundation. Bronzer may be used to highlight & shade.

Eyes--- Eyebrows defined if necessary. Highlighter on brown bone. Shades of browns, greys and charcoals used on lid & crease. Black or Brown eyeliner on top and bottom lids. Black or dark brown mascara.

Cheeks--- Appropriate shade of peach or rose on apples of cheeks and blended outward toward edge of cheekbone.

Lips--- Accentuating natural lip color. Lip liner if necessary.

***Younger dancers (under age of 8)** may/should lighten the amount of makeup worn. We suggest light eye shadow, blush, mascara, and lip gloss.

Male Performers do not need to wear make up at this time.

Female Hair FOR ALL SHOWS, ALL DANCES: Hair is to be worn in a high "sock-style" Bun at the crown of the head (see photo to left). No fly-aways, no visible bobby pins. Dancers with bangs may wear bangs out. Please take your time and be sure that your hair looks nice... UP CLOSE!

****It is recommended that all dancers in multiple dances purchase a nude colored camisole leotard or cami-bra top and briefs to be worn under all costumes to make quick changes easier.**

Such items can be purchased online at www.discountdancesupply.com**

Class Costume Info

"Costumes" are items of clothing and dancewear that students should be able to easily pull from their closets, borrow from a friend, or buy inexpensively with the ability to be re-worn. If you have any questions regarding your dancer's costuming, please do not hesitate to contact the office or your teacher. We do expect that all dancers have their costumes secured and ready for performance by Tech Week Rehearsals.
