R590 SERIES

Revival BOATS

The recently launched R590 ups the ante for adventurous families. The first Revival to incorporate an all-composite stringer system, the R590 effortlessly blends a deep secure cockpit with a taller and even more spacious cabin.

Crammed with an impressive array of standard features, the new R590 can adapt to a vast array of on-water missions without compromise. It's even spawned its own rebellious cross-over, the all-new R590 X-Rider.

Bowriders have a well-deserved reputation as fair weather, one dimensional giggle boats...until now.

Our rebellious new R590 X-Rider bucks the trend and flicks a middle-finger salute to conventional boating wisdom. A 21 degree deadrise and broad reverse chines means it's not confined to rivers and sheltered bays either while the deep stable hull really revels in the rough stuff. Innovation abounds in the R590 X-Rider's clever interior that hides a multitude of lockable storage options – including a concealed combo ski/rod locker – allowing it to convert from ski boat to sports fisher in a blink. "X" really marks its own spot!

R590 SportZ

You want to do it all and need a boat that can keep up with your ever-changing boating lifestyle.

Revival's R590 SportZ hits the water with all the essentials and many so called 'extras' that other boat brands force you to pay for: bowrails, bilge pumps, internal lighting, under-floor fuel tanks, dry and wet storage and loads more.

R590 OffShore

Revival's R590 OffShore spices up the SportZ's already impressive inventory with fishing-focused inclusions to help you snare to snare the catch of the day: upgraded flip-bolster seats, tackle storage, bimini and clears, alloy or stainless rocket launchers, recessed rod storage, and more. Fish don't tell time or care about the weather, so shouldn't your new boat be just as mission-ready?

R590 Weekender

Revival's R590 Weekender is influenced by luxury caravans and campers offering versatile and easily-adaptable features to enhance your time afloat.

Boasting snug fitting covers and clears for overnight protection, these can easily be removed and stowed to create a comfortable open-air alfresco with wrap-around waterfront views. As expected, toilets, plush upholstery convertible interior storage and cockpit lighting come standard. Larger models up the ante with plumbed freshwater showers and even a handy sink.

Length	Beam	Max Power	Tow Weight	People	Fuel
5.90m	2.40m	175hp	1850kg	7	130lt

 **Revival Boats** was founded upon a desire to create **versatile hulls** that responded to the needs of **Aussie boating families**.

 All **Revival hulls** are **meticulously handcrafted** by a talented team overseen by one of **Australia's most respected boat builders**.

 Every **Revival** presents **outstanding value** without sacrificing on quality or service and is backed by a **10 Year structural warranty**.

Simply strap on the outboard of your choice and get it wet.
