R640 SERIES

Revival BOATS

The flagship of the Revival fleet, the R640 humbles many long-established (not to mention outrageously expensive) “premier” boating brands with its go-anywhere-anytime attitude.

With space to conduct your fishy business, the R640 is at home prowling offshore canyons yet backs up as a floating caravan when the mood strikes. Easily powered and comfortably towed by mid-sized SUV’ and Utes, the R640 demands RESPECT.

Revival Boats was founded upon a desire to create **versatile hulls** that responded to the needs of **Aussie boating families**.

All **Revival hulls** are **meticulously handcrafted** by a talented team overseen by one of **Australia’s most respected boat builders**.

Every **Revival** presents **outstanding value** without sacrificing on quality or service and is backed by a **10 Year structural warranty**.

You want to do it all and need a boat that can keep up with your ever-changing boating lifestyle.

Revival’s R640 SportZ hits the water with all the essentials and many so called ‘extras’ that other boat brands force you to pay for: bowrails, bilge pumps, internal lighting, under-floor fuel tanks, dry and wet storage and loads more.

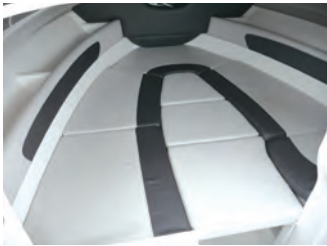

Simply strap on the outboard of your choice and get it wet.

Revival’s R640 OffShore spices up the SportZ’s already impressive inventory with fishing-focused inclusions to help you snare to snare the catch of the day: upgraded flip-bolster seats, tackle storage, bimini and clears, alloy or stainless rocket launchers, recessed rod storage, and more. The flagship R640 OffShore HT raises the stakes even further with one of the best moulded Hard Tops in the business. Fish don’t tell time or care about the weather, so shouldn’t your new boat be just as mission-ready?

Revival’s R640 WeekEnd is influenced by luxury caravans and campers offering versatile and easily-adaptable features to enhance your time afloat.

Boasting snug fitting covers and clears for overnight protection, these can easily be removed and stowed to create a comfortable open-air alfresco with wrap-around waterfront views. As expected, toilets, plush upholstery convertible interior storage and cockpit lighting come standard. Larger models up the ante with plumbed freshwater showers and even a handy sink.
