

Yamarin 63 DC

Yamarin 63 DC

- Spacious sitting area for 5-6 persons.
- A cabin for storage and occasional overnight stays.
- Big bathing platforms for swimming, watersports and safe moving from the stern on to the boat.
- 10" Yamarin Q as standard, can be combined with the Yamarin app.

Handling characteristics of Yamarin 63 DC

Precise steering allowing effortless maneuvering and first-class handling

Negative chines make the boat very stable and the driving experience well-balanced, forcing the water spray wider to the sides

Wide hull, 2,35 m

Big practical open area and cozy cabin

L-sofa enables seating for up to 6 people

The sunbed turns it to a comfortable lounging area

Driver's seat has a range of adjustments and a footrest, making it easy to find the optimal driving position. Yamarin Q 10" touchscreen as std.

The hull & ceiling windows and light colors of the cabin make it feel spacious

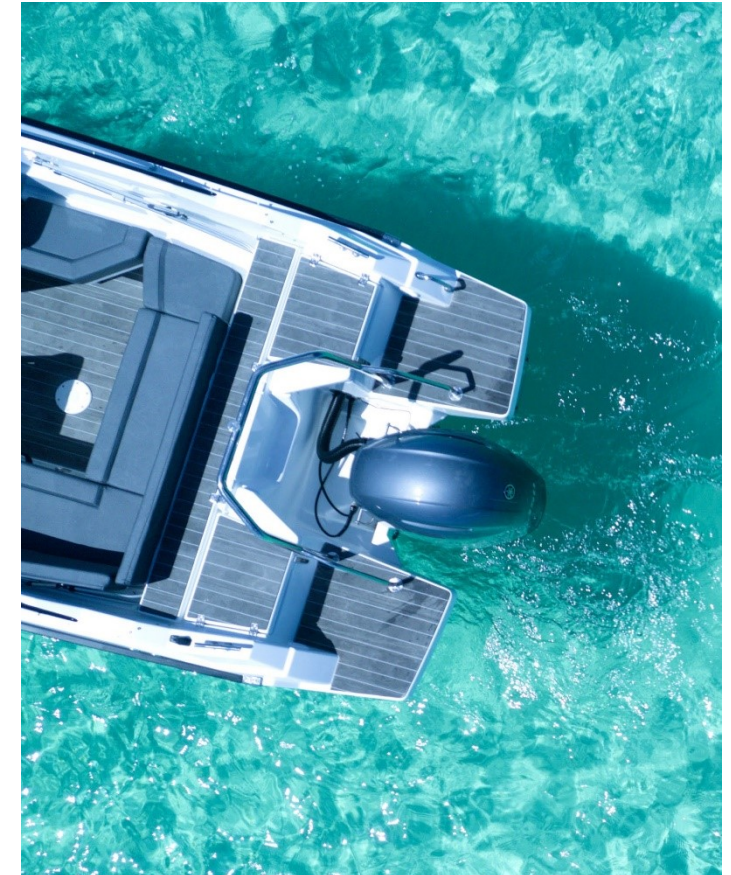

Easy & safe access and moving in the boat

No hatches to step on or over, no big leaps required.

Clear & proper steps and easy access from bow to stern, make it safe to move in the boat.

Big practical bathing platforms
