

# YAFFA SWING ARM WALL SCONCE - HARDWIRED

Installation Guide

## CAUTION

This product should be installed only by a licensed electrician. Turn off all electrical power at the main fuse box before installation. Turning off the power from a light switch may not be sufficient enough to prevent from electrical shock.

For your safety and for proper operation of the luminaire, read and understand all instructions completely before installation.

## UNDERSTANDING THE FIXTURE

Please care for the brass pieces with a soft cloth, and avoid using any abrasive cleaners or products. The patination process will speed up if any brass product or component is excessively handled. Gloves are recommended for installation.

## BEFORE INSTALLATION

Carefully unpack the luminaire and inspect for damage. Please check that you received all of the components pictured in this guide. If anything is missing, please contact, [shopkeeper@lostine.com](mailto:shopkeeper@lostine.com), and one of our customer service representatives will be able to assist you.
