

Listed below you will find suggested pricing for the CIT service, as well as suggested retail pricing for products available to you at Herbalskinsolutions.com.

Suggested pricing for CIT (12 & 36 tip cartridges) a la carte services with sterile saline or HMW-HA serum:

- \$250 - \$450 for full face and / or neck
- \$150 - \$350 Decollete
- \$150 - \$250 Hands
- \$300 - \$400 Stomach
- \$250 - \$350 Breasts
- \$300 - \$400 Buttocks
- \$150 for full face add on to oxygen treatment or manual exfoliation
- If spot treating a la carte, \$100+ depending on how large the area is, which tip is being used (12 or 36) and how much time the treatment takes.

Suggested pricing for Nano-Infusion treatments (Silicone or Surgical Steel cartridges)

- \$50 each for an add on eye and lip treatment
- \$150 Full face Nano-Infusion - includes cleanse, Nano-Infusion of chosen serum and SPF application only.
- \$250+ if incorporating exfoliation, masking, peels, AnteAGE stem cell solutions, LED or any other modality combinations

**If incorporating AnteAGE Stem Cell Solutions in any treatment, we suggest charging minimum \$50 per 2mL vial used.*

Treatment schedule:

- Scarring (surgical, thermal, or acne): 6 treatments 3-4 weeks apart
- Stretch marks & Cellulite: 6 - 12 treatments 4-6 weeks apart
- Rejuvenation: 3-6 treatments 3-4 weeks apart
- Nano-Infusion can be done as often as every 2 weeks.

Results are best seen after a series of treatments. We highly recommend only discounting packages instead of a la carte treatments. This will entice your clients to purchase the package for a better deal and get the best results.
