

# The Handeholder SK

*Comfortable and Reliable Hand Strap for the OtterBox uniVERSE Case System*

hande™

## Presenting the Handeholder SK.

Carrying a tablet or phone, reliably and securely has always been a concern. We've taken it one step further by incorporating comfort and flexibility into the only hand strap you'll ever need.

The Handeholder SK was engineered for pairing with the OtterBox uniVERSE Case System for tablets and phones, with ease of use and versatility in mind.

Ideal for use in Retail, Hospitality, Restaurants, Healthcare, Manufacturing, and many other industries.

### Features:

- Linkyt™ Sidekyck feature permits flexibility in attachment to provide added modular benefits.
- Hand strap fits nearly any hand size, and adds virtually no weight to tablet or phone.
- Manufactured with quality materials, with ergonomics and overall comfort a key consideration.
- Use in conjunction with our Mozee sleds or other accessories on tablet-based systems to provide secure and convenient mPOS or additional mobility use.
- Use it with a hand tightened securely in the Velcro strap, or use it as a quick grab-and-go hand grip.
- Handeholder rotates 360-degrees to allow for easy switching between portrait and landscape-use modes.
- Ideal for use in both personal and business locations alike.
- Will attach to all current and planned Otterbox uniVERSE cases for tablets and phones.
