

Behold the simplicity of a mobile transaction.

mozee[™]
Mobile POS made easy.

Mobile POS made easy.

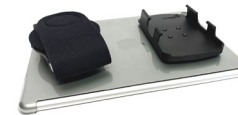

Sled provides full access to card swipe of the 2500 located at the top of the device

Simple, open-face design retains easy access to all 2500 controls, ports, and features

Highly durable and damage-resistant material holds the 2500 securely while in use

Chip and pin access is not obstructed and functions while still inside the sled

Mobile tablet holder for Ingenico's Link/2500 series of POS Devices

Overview:

- Mobile: take the Ingenico Link/2500 device anywhere.
- Universal: use with any paired tablet.
- Easy: unfettered access to the Link/2500 Device's charging port and reader (Magstripe, Contactless).
- One-handed Comfort: ergonomic grip featuring the secure Handholder™.
- Versatile: sled is designed to work equally with Link/2500i device variant.
- Lightweight: sled weighs 1.0 ounce; sled with Link/2500 weighs under 7 ounces.
- Protective: use as a standalone holder on an uncased tablet or in coordination with hard-shell cases.
- Future Proof: form factor supports any tablet size, allowing it to work with future generations of tablets.
- Accessorize: use with the Handholder hand strap, the Handholder Stylus Holder, or a tablet shoulder holster for even greater mobility and use flexibility.

Handholder Products, an innovative designer of USA-made tablet gear, has developed a mobile payment holding solution exclusively for the Ingenico Link/2500. Presenting the Mozee™ Link/2500 sled. It's mobile. It's easy. And it's universal—use with any paired tablet. Stylish, simple, easy to use, and functional, this unit provides all the benefits of the original Mozee with a streamlined footprint and easy access to the device controls.

From retail, to hospitality, to banking and beyond, enjoy the freedom to take the Link/2500 device anywhere.

One sled, multiple device versions.

Coming soon: Use one of our sled inserts to make the standard Mozee Link/2500 Sled work with either the Link/2500i.
