Mobile POS made easy.

# Mobile POS made easy.

Handeholder Products, an innovative designer of USA-made tablet gear, has engineered a streamlined variant on our universal POS holder. Presenting the Mozee™ Sled. It's mobile. It's easy. And it's universal—use it with any paired tablet. Stylish, simple, easy to use, and functional, this unit provides all the benefits of the original Mozee with a tighter and more streamlined footprint.

From retail, to hospitality, to banking and beyond, enjoy the freedom to take your mobile payment device anywhere.

## Mobile tablet holder for Ingenico's iSMP Companion, Verifone e255, or similar

### Overview:

- Mobile: take the mobile payment device anywhere.
- Universal: use with any paired tablet.
- Easy: access to all features of the payment device, including card swipe, chip and pin, and scanner.
- One-handed Comfort: easy to carry when paired with the Handeholder™.
- Adjustable: Handeholder hand strap fits any hand size.
- Lightweight: weighs approximately 1 lb. (Including the mobile payment device)
- Protective: tablet is fully protected by optional hard case with rubber bumpers, and sled securely holds payment device.
- Future Proof: new tablets of the same model can easily be switched into the case if necessary.
- Accessorize: add the Handeholder Stylus Holder to the hand strap, or use in combination with a holster to provide hands-free when desired.
- Universal: works with full size or mini tablets of virtually all makes and models.
