

Behold the simplicity of a mobile transaction.

mozee[™]
Mobile POS made easy.

Mobile POS made easy.

Handeholder Products, an innovative designer of USA-made tablet gear, offers the most universal POS holder available. Presenting, the Mozee™. It's mobile. It's easy. And it's universal—use it with any paired tablet. Stylish, simple, easy to use, and functional, this simple holder provides quick and secure connection to a tablet, a sturdy and reliable hand strap, and convenient storage and use of the mobile payment device.

From retail, to hospitality, to banking and beyond, enjoy the freedom to take your mobile payment device anywhere.

Brand awareness made simple.
Make every customer interaction a valuable branding experience. Simply add a logo to the Mozee's front panel. Contact us for pricing.

mozee™

Mobile tablet holder for Ingenico's iSMP Companion, Verifone e255, or similar

Overview:

- Mobile: take the mobile payment device anywhere.
- Universal: use with any paired tablet.
- Easy: quick access to the payment device's charging port and readers (EMV, Bar Code, Magstripe, Contactless).
- One-handed Comfort: ergonomic grip features the Handeholder™.
- Adjustable: fits any hand size.
- Lightweight: weighs approximately 13.5 oz. (Including the payment device)
- Protective: use as a standalone holder or in coordination with a hard-shell case.
- Future Proof: form factor supports any tablet size, allowing it to work with future generations of tablets.
- Accessorize: optional clip secures a pen or stylus to your uncased tablet. It also holds business cards or loyalty cards in place should you need to write on them.
- Hands-free Option: Place the Mozee on a counter or desk and it becomes it's own tablet stand.
