

# CHOCOLATE BEET CAKE

## Ingredients

- 2 c sugar
- 2 c flour
- 1/2 t salt
- 2 t baking powder
- 1 t baking soda
- 1/4 c oil
- 3 oz unsweetened chocolate
- 4 eggs
- 3 c shredded beets

## Directions

Combine dry ingredients. Sift or mix well together. Melt chocolate very slowly over low heat or in double broiler. Allow chocolate to cool then blend thoroughly with eggs and oil. Combine flour mixture with chocolate mixture, alternating with the beets.

Pour into 2 greased 9-inch cake pans. Bake at 325 for 35-45 minutes, or until a tootpick can be removed from the center cleanly. Let cool. Serve plain or with your favorite frosting.
