

We are here to help you solve your pest control problems with a variety of Raid® products.

Raid® Flying Insect Killer

Code	Size	
C1772	400g Can	

One shot killing power Raid kills flying insects in one shot flying insect killer odourless a specifically developed formula that:

- Knocks down and kills with just One Shot
- Suitable for use on flying insects such as flies, mosquitoes, moths, wasps.
- Will also provide an effecttive kill on crawling insects such as cockraoches, ants, silverfish and spiders.
- Odourless

How To Use:

To Kill Flying Insects, one short spray in the direction of the flying insect is adequate for fast knockdown and quick kill. For total room treatment, close all doors & windows then spray around and high in the air for 4-5 seconds. The product begins to act immediately on contact with insects.
