

Melt your Gold Recycling/Exchange and Shipping Form

To ship your items to us for evaluation and exchange, complete this form and ship it together with your gold jewelry to the following address:

Jill Platner Production Department
113 Crosby St.
New York, NY 10012

Please note:

Your shipment must be fully insured for your suggested value of the items that you send. You must request a signature confirmation receipt for the shipment to ensure that your package is safely delivered to us.

This signed and completed form must be enclosed with the shipment.

Immediately upon receipt of your shipment, we will notify you by email.

Our specialized team will then carefully weigh and evaluate the gold that we received from you, and we will email you within seven business days the results of our analysis of your gold and the dollar amount you will be credited toward a future purchase of a new piece of Jill Platner jewelry.

We will exchange your gold for store credit only.

We will deduct a **15%** handling fee from the value of your gold from your store credit. Store credit can be applied to any item sold at our SoHo store or on our Web site by visiting us at the store with the credit or telephoning the store (212-324-1298) to arrange for an item to be sent to you.

The store credit can not be applied on web purchases. Please call the store to use your store credit.

Store credits are valid for one year from the date on which they were issued.

Be sure to read our Terms and Conditions and FAQs at

<http://www.jillplatner.com/about/meltyourgold>

1. Customer/Shipper Information

name
