

Sarajevo

Architectural Guide

Buildings and Projects since 1923

Discover the architectural wonders of Sarajevo, a city that bears the vivid scars of its complex history. From hosting the 1984 Winter Olympics to enduring a brutal civil war in the 1990s, the capital of Bosnia and Herzegovina has woven its tumultuous past into its urban fabric. Today, this modern metropolis harmoniously combines the remnants of Ottoman and Austro-Hungarian influence along with the striking architecture of the Yugoslav socialist era. In this captivating architectural guide, explore 150 landmarks spanning the last century, carefully divided into four chapters. Immerse yourself in the city's rich cultural heritage as the authors effortlessly navigate and bring to life the diverse architectural tapestry of Sarajevo.
