

Please measure and write the student's measurements in the space next to each size reference.

- A. CHEST: _____ inches
Measure *around* the broadest part of the chest or bust.
- B. SHOULDER: _____ inches
Find the point on your shoulder directly above your arm pit. Measure straight across from that point to the same point on the opposite shoulder.
- C. WAIST: _____ inches
Measure *around* at belly button
- D. HIGH HIP: _____ inches
Measure *around* at the widest part of the hip.
- E. HIPS: _____ inches
Measure *around* at the widest part of your seat.
- F. NECK (FOR DRESS SHIRTS): _____ inches
Measure *around* neck with space for two fingers to fit comfortably.
- G. CENTRE BACK SLEEVE LENGTH: _____ inches
Measure center back, arm bent, down arm to wrist.
- H. RAGLAN SLEEVE: _____ inches
Use the same guide as (G) Centre Back Sleeve Length, **but** start measurement from the edge of neck.
- I. INSEAM: _____ inches
Measure along the inside of the pant leg from the crotch to the bottom opening. The number of inches is the inseam length, rounded to the nearest 1/2 inches.
