

## **Motsu Socks Cares**

Did you know that socks are the #1 requested item at homeless shelters, but are among the least donated?

We want to help!

Bring us your old socks for recycling

We'll even pick up

We wanted to do more for our community than simply providing the best, most colorful and crazy socks from al over the world. We also decided to give back to those in need as well as help the environment.

Bring in or send us your old socks and we'll take care of the recycling. You also get 15% off of your future purchase.

For each sock recycled, we're donating a pair to shelters across the Upstate and the US.

Every small act of human kindness helps
