

Patented and Exclusive

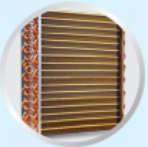

TCL TITANGOLD nano technology brings you higher efficiency and more cost-saving air-conditioning and dehumidifying!

Higher Efficiency = Cost Saving

Faster Evaporation = Faster Cooling And No Water Drainage Headache

Long Durability = Good Value For Money

The TCL titanium gold condenser is highly anti-corrosive and hydrophilic. Coupled with patented fogging technology, evaporation efficiency is much better than traditional condensers. Also, the hydrophilicity advantage is known to enhance air purifying and self-cleaning.

Italian Innovation Brought To You By

TCL

TCL Portable Air Conditioner

TCL Dehumidifier

Features (DER 30EG)

- Moisture removal capacity 25L
- Water dischargeable conveniently
- Rolling castors for easy movement
- Low noise

TCL Dehumidifier	Unit	DER 30EG
normal mode @ 32°C /80%	l/24h	25L
normal mode @ 27°C /60%	l/24h	12L
Power source	V-Hz-Ph	220/50/1
Refrigerant	(W/W)	R134a
Input Power	(W)	320
Rated Current	(A)	1.5
Air Flow Volume	(m ³ /h)	360/300/260
Coverage Area	Sqm	
Noise Level	dB(A)	47/45/43
Water tank capacity	L	4.5
Net Dimension	mm	W340 X H495 X D254
Net Weight	kg	14

5 Easy D-I-Y Steps to Enjoy Air Conditioning

Happy Cooling!

Easy To Install

Specifications are correct at time of print but subject to change for better customer satisfaction. For more information, contact 6844 2254 or www.tcl.sg

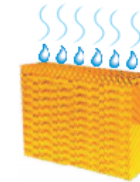

HIGH EFFICIENCY

Double Condenser Technology
The condenser is strong and large enough to evaporate out excessive water.

Rotary Compressor
More efficient and low noise.

High Efficiency

Auto Evaporation. No manual drainage required.

The water splash motor splashes the water onto the condenser in small particles. Water is evaporated out together with the hot air. No manual drainage is needed.

	R410A Eco-friendly Refrigerant No CFC		Double Condenser Technology High Efficiency
	Patented Fogging Technology : No drainage required		4-Way Air Blow Swing
	Low Noise		EER Grade A
	Air Purifying with Anti-bacteria Silver Ion Filter (V model)		12-hr Timer (V-mode) 24-hr Timer (D Mode) Remote Control
	Rolling casters for easy movement		3-in-1 Functions cooling/ dehumidifying/ fanning

TCL PORTABLE AIR CON is your ideal solution if

- You need cold air when central air-conditioning is not available
- Traditional air conditioning is not sufficient
- Wall hacking or structural work is not possible
- You need to cool a small area only
- You need a temporary or mobile cooling solution

TCL PORTABLE AIR CON models are popular worldwide for their reliability, high efficiency and affordability. The wide range of products can meet the requirement of every room area size. Research achievements and constant technology breakthrough not only make TCL products ever more user-friendly, but also more eco-friendly. In TCL we believe in green living and sustainable development, a cornerstone that makes TCL Portable Air Conditioner one of the most trustworthy brands locally and internationally.

TCL products are engineered for Asian markets with Italian technology led by portable cooling pioneer Delonghi Italy, maker of the world's first portable air conditioner. The TCL-Delonghi manufacture plant remains one of the largest in the world for portable air conditioners and dehumidifiers today.

TCL PORTABLE AIR CON

- ✓ Plug in. Sit back. Enjoy air conditioning anywhere anytime
- ✓ Patented Fogging Technology - No water drainage required
- ✓ Rapid cooling
- ✓ Eco-Friendly
- ✓ Suitable for commercial and residential use (including HDB)

Product safety and quality standards certified by:

All compressors enjoy 5-year warranty.
Your Satisfaction is Our Motivation!
