

CLASSY GLASSIES™ SIZE CHART

INSTRUCTIONS:

- 1) **PRINT THIS SIZE CHART.** Please be sure to print the chart at actual size. Do not select "Fit to page".
- 2) Hold the chart 14 inches from your face, without wearing eyeglasses.
- 3) Start reading from bottom to the top. When you can clearly read a full line, look at the magnification for that line to determine your strength. The colored square to the right of square is your "CLASSY" size.
