♥ Product Weight	:	Approx. 0.9 kg
♥ Package Weight	:	1.1 kg
♥ Voltage	:	AC 100v - 220v 50/60HZ
♥ Product Dimension	:	22.5 x 19.5 x 9.1 cm (LxWxH)
♥ Package Dimension	:	28.4 x 20.1 x 10.5 cm (LxWxH)

How to Use

1. Install the dust filter into the machine and ensure it is fixed.
2. Press the button to turn it on.
3. Place your hand on the upper panel of the machine and polish, file, or drill your nails.
4. Turn it off when you finish.
5. You can remove the filter to clean it up by gliding out the slide and dusting it off with a brush or cleaning it with a hairdryer.

Automobile Quality Filter

- ♥ Reusable and easy to clean.
- ♥ Do not wash the dust collector machine. This will affect the suction function.
- ♥ Dust clean it regularly.
