WHISTLER

WORLD'S SMALLEST STARLIGHT FHD DASH CAM!

TINY DASH CAM - Half the size of a credit card! The small size is easily concealable and doesn't obstruct your line of vision.

1920x1080 FULL HD RESOLUTION - Captures 1080p footage and delivers stunning image quality and clear video.

ENHANCED NIGHT VISION - Clear vivid images with Patented Technology.

1.5" LCD SCREEN - Even with its tiny size it has a large 1.5" screen.

AUTO ACCIDENT DETECTION FEATURE - If the G-Sensor is triggered, the dash cam will automatically lock videos giving you a record of the incident for use in insurance claims.

LOOP RECORDING - Selects how long you want each recording to last, before it is saved and starts a new recording.

EASY TO SET UP - Simply mount the dash cam to the windshield using the suction cup mount. Connect the USB cable and plug into any 12V outlet.

Supports microSD cards up to 32GB
8GB MicroSD card included.
