

120 LED Solar Flood Light IS-FL120

Description

Made with commercial grade aluminum, tempered glass and the latest in solar technology, the 120 LED solar flood light is the perfect way to light up any outdoor space. It features 450 lumen of illumination capability that's power by an 8 Ah lithium-ion battery which gets recharged daily by an 8 watt solar panel.

With the 120 LED solar flood light you get automatic, dusk-till dawn functionality with an optional manual on/off switch. If you're looking for a light that you can literally set and walk away from, the 120 LED solar flood light is a perfect choice.
