
Technical Instruction Sheet

page 1 of 1

- Characteristics:** AKEMI® Algae and Mildew Remover POWER is a rapidly effective, slightly alkaline cleaner based on active chlorine compounds. The product is free from solvents.
- Field of Application:** AKEMI® Algae and Mildew Remover POWER rapidly and thoroughly removes natural layers on façades, roofs and walls made of natural and artificial stones, e.g. marble, granite, concrete ashlar and similar. Organic stains caused by cardboard, blossom, bird droppings, tobacco etc. can be excellently removed.
- Instructions for Use:**
1. Remove deep staining mechanically.
 - 2.a) Bottle/canister:
Apply undiluted with a brush or a sponge.
 - 2.b) Spray bottle:
Spray evenly from a distance of approx. 25 cm.
 3. Do not allow to dry. Repeat if necessary.
 4. Allow to work for 10-20 minutes, thoroughly clean with water and a brush.
- Special Hints:**
- Wear suitable protection gloves.
 - Do not allow contact with plants, otherwise rinse immediately with water.
 - Do not allow contact with metals, wood, clothing or similar in order to avoid discolouring or bleaching.
 - Do not refill used material into storing containers.
 - Protect from direct sunlight and heat.
 - The product is registered at the Federal Environmental Protection Agency under the number 1257 0015.
 - The spraying head of the spray bottle should be removed and cleaned with water after use.
 - For adequate waste disposal container must be completely emptied.
- Safety Measures:** see EC Safety Data Sheet
- Technical Data:**
- | | |
|--------------|--|
| Consumption: | approx. 10-12 m ² /litre |
| Colour: | yellowish transparent |
| Density: | approx. 1.10 g/cm ³ |
| pH-value: | approx. 11 |
| Shelf life: | 1 year approx. if stored in cool place free from frost in its tightly closed original container. |
- Notice:** The above information is based on the latest stage of technical progress. It is to be considered as a non-binding hint and does not release the user from a performance test, since application, processing and environmental influences are beyond our realm of control.
