**Silicone Roof Patch**

# SILICONE

- Seals and stops leaks
- Permanent seal
- Excellent adhesion
- Heavy duty repair

**Black Jack® Silicone Roof Patch** is a heavy duty, white rubber sealant that provides the ultimate waterproofing protection from the elements. This product has exceptional adhesion and flexibility and is compatible with most building materials. Use to make repairs on damaged roof areas. In hot or cold climates, this waterproof seal will permanently stretch to prevent cracking and peeling.

**APPLICATION:** All surfaces must be cleaned. Any moist or wet areas need to completely dry before applying repair, or it will peel. Apply with trowel or stiff brush, and extend 1-2" beyond damaged area. Add universal reinforcing fabric into the repair for permanent repairs and then cover with an additional layer of this sealant. Allow to dry 2 hours before being exposed to rain.

**COVERAGE:** This container will cover approximately 3 sq/ft.

**CLEAN-UP:** Clean tools with mineral spirits.

**PRECAUTIONS:** : For exterior use only. Protect building inlets from product vapors or fumes. DO NOT allow product to freeze. Protective clothing, gloves and eyewear should be used during application of these products. When transporting this product, ensure that lid is tight and pail secure and upright. DO NOT allow pail to tumble as this may cause lid to loosen and leakage to occur. Do not transport on passenger seats or inside the passenger compartment of any vehicle. Store product in the cargo area of vehicle, and secure over protective cloths to prevent damage due to accidental spills. For longest life, store in controlled environment, 45 °F to 80 °F. DO NOT store in direct sunlight. DO NOT store at temperatures above 99 °F. Close container after use. DO NOT reuse empty containers. Do not thin. Ponding water creates excessive weight on roofs and may compromise structural integrity leading to a potential collapse hazard. Always follow the National Roofing Contractors Association guidelines to remove ponding water from roof surfaces.

**WARRANTY AND DISCLAIMER:** When used in the **Black Jack®** system, it is guaranteed to form a protective coating to your roof for a period of 50 years from the date of purchase. This limited warranty is only applicable when this product is applied to a sound roof according to our directions. If the coating does not perform as stated during the guarantee period, we will provide, with sales receipt, the original purchaser with replacement coating to repair the affected part of the roof. Failures due to acts of God, fire, structural defects or causes beyond our control are excluded from this guarantee. Gardner-Gibson, Inc is not responsible for any labor, property or other consequential damages or costs incurred in the original or any replacement application. Except as stated above, we make no warranties or guarantees,
