

LIGHT IVORY TRAVERTINE CROSS-CUT

Introduction

Light Ivory Travertine, originating from Turkey, is a natural stone with a light beige or ivory color. Unlike traditional travertine, our light ivory travertine is filled with a color matching resin, filling all small pits and voids, creating a seamless honed finish. This durable and versatile material is ideal for adding a touch of elegance to any interior design, exuding warmth to any room it is featured.

Field Tile

Moldings
