READING AND SIGNING: YOU ARE LIKE AN OTTER BECAUSE...

By Rory and Gillian Hill with Livie & Luca Shoes

Livie & Luca® is a San Francisco Bay Area children's shoe company creating delightful and healthy designs with impeccable construction and materials. We believe that everyone, of every age, should have the opportunity to find what brings them joy and to become their most authentic self.

With this in mind, we are all about co-creating with our customers, supporting the blossoming of everyone's creativity. Our customers co-design shoes with us like our [Unicorn](#) shoe which was 5-year-old Katie's idea! And now we're bringing to life a beautiful book, "You Are Like an Otter Because..." co-written by Boise native, 7-year-old Rory and his mom, Gillian Hill, that was produced in tandem with our [Otter](#) shoe.

As a local business, we're hoping you will join Rory and co for a book reading and signing!
