- 4. When the your device is fully charged, disconnect the Big Turtle Shell® Ultra.

8.800 mAh of portable battery power.

LISTEN

The Big Turtle Shell® Ultra is built to go anywhere, but for optimal sound quality follow the steps below:

- Make sure the Big Turtle Shell® Ultra is resting on its base and facing upwards.
- · When connected wirelessly via Bluetooth, it's best to turn the volume on your phone/device fully up and when you use the volume control (-/+) on the Big Turtle Shell® Ultra.
- When connected via 3.5mm stereo input, your phone/device may distort the audio signal if turned up too loud, turn down the volume on your phone/ device before adjusting the volume on the Big Turtle Shell® Ultra.

*NOTE: 3.5mm audio input/output to another Big Turtle Shell® Ultra is supported.
