Pairing the TAGS™ 2.0 with a Bluetooth device

Entering Pairing Mode
1. Hold the Multi-Function Button (MFB) down until you hear “power on" then "paring”. The LED will also flash red & blue alternately when in pairing mode.

2. Release the MFB, you're now in pairing mode

Pair
   Go to your devices Bluetooth settings Add or search devices. Find "ODT Tags 2.0", select it.

After successfully connecting, the voice prompt will state "paired". You should now be able to play music & make/receive calls using your headset. Hooray!
Charging your Tags™ 2.0

For a full charge, plug the TagSTM 2.0 into your wall charger or computer via micro USB cable. The red LED will stay light until charged. Once charge the red LED will shut off.

Low Battery

There will be one voice prompt stating "battery low" and the LED will flash 1 time.

Critically Low Battery

There will be one voice prompt stating "charge me" and the LED will flash 1 time.

⚠️ Warning. For your benefit, of course.
-Batteries should not be exposed to excessive heat, including but not limited to sunshine, fire, lava or the like.

You’re weeeelllllccccooooommmeee.
Built-in microphone on the right ear piece.

The following are tips on how to use your Tags™ 2.0 to speak on the telephone:

**Answer a call** ....... Short press MFB to answer the call

**End a call** ............ Short press MFB

**Decline a call** ........ Long press MFB for 2 seconds

**Siri** ...................... Double press MFB

**Volume up** ............. Short press (+) button

**Volume down** ........ Short press (−) button

- Keep the Tags™ 2.0 Dry
- Keep the Tags™ 2.0 away from direct sunlight or hot places. High temperatures will shorten the life of electronic devices, destroy the battery or distort certain plastic parts.
- Do not try to disassemble the Tags™ 2.0.
- Do not let the Tags™ 2.0 fall onto the floor or other hard surfaces. The internal circuit board may get damaged.
- Do not use intensive chemical products or detergent to clean the product.
- Do not scratch the surface with sharp things.
MAGNETIZED

When you’re not using the Tags™ 2.0, just snap them together, until you’re ready to listen to music again. Or go to bed. Or, you know, lean over the fence at the alpaca exhibit.
K, bye.
