STANDOUT SEMI-CUSTOM DESIGNS – READY FOR YOUR LOGO

It is our mission to make your life easier by providing with creative solutions ready to go. With Green Monkey Velo, we hope that this collection of designs will provide inspiration you need to realise your very own cycling kit.

A wide variety of designs provided to suit the range styles, from classic to modern and from subtle to loud & funky. This resource is created to provide busy people with quick and easy solution for corporate or team branded kit which will promote the brands wherever you go. have new designs coming out on a regular basis, provided by our world-class design team, like a fashion trend setter.

CONSIDER YOUR OWN BUSINESS PROMOTION

You are here because you are looking for ways to stand out from the pack with our semi-custom templates. Our design team will place your logos in the set locations on the kit. Please provide your logo in vector format. Let us know the semi-custom template name, We will provide your final proof in colours to match your brand colours.

None of the semi-custom templates suit?

Your vision might be completely different and not found here, but not to worry, we will talk with you and your need for a complete custom design.

Our team will handle the full custom design based on your custom creative design brief filled out. We can set up TEAM STORES to make it easy for individual ordering.

QUICK DELIVERY - EASY INSPIRATION - STANDOUT

We have provided 24 different semi-customisable design options for your consideration and inspiration.

If you like any one of these, just let us know the #number and name of design and provide your logos and desired colours. We will provide the logo placement on the pre-determined locations.

We have curated a range of designs to suit a wide variety of tastes, some designs inspired by kits from the World Tour peloton and other designs inspired by timeless classical and modern looks.

If there is nothing that tickles your fancy, please let us know and we will work with you every step of the way to create your potential award-winning designs!

WORKING WITH GREENMONKEY

It is our mission to help make your life easier by providing a range of design solutions and speed up the design process with the aim of getting you riding in our amazing kit while showcasing your brand to the world on your two wheels. The power of marketing via cycling kit cannot be underestimated and serves to get your brand seen in more places in a more cost-effective way while at the same time promoting health and fitness.

FEEDBACK OR RECOMMENDATIONS

At GreenMonkey we are striving to become perfect and understand the process of evolution to become good to great. It is our mission to evolve to provide the highest possible standard of designs and quality cycling kit for your pleasure.

We would love it if you would write to us and provide some of your ideas and if taken on-board we will reward with a \$100 voucher towards your custom kit purchase.

If you have a design idea that should be part of our semi-customisable range, please let us know.
