In May of 2023 I decided to move my studio from its original location on Meyers Street to its new home on Mangrove Avenue. The move was a definite upgrade! We have one large 1300 square foot room to work in with loads of natural lighting provided from the large windows up front. Design walls are larger, we have fifteen 5' tables and three 4' tables on wheels for additional mobile work space.

Six cutting tables are provided which are complete with cutting mats and an extensive selection of Quilters Select rulers. Large counters/storage cabinets are located on either side of the room which provide perfect sit down/stand up work space for marking quilts, etc.

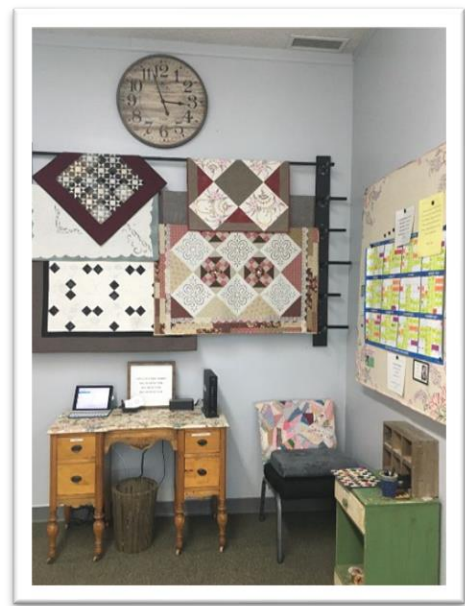

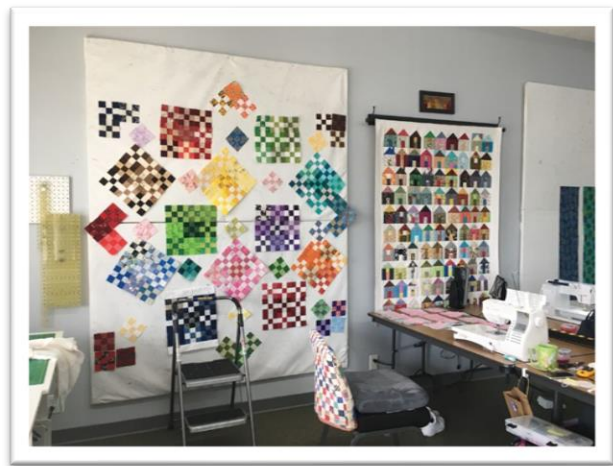

You are welcome to drive right up to the front door and unload your car without having to haul everything thru the parking lot. We have a covered walkway to keep you dry in the rain!

We have a separate room for all the kitchen supplies and food prep. A full sized refrigerator, microwave, small electric oven, ice maker and Keurig make food prep easy! There is a separate wash station for dishes, etc. .

I have nearly every tool available for you to use so don't stress about forgetting something at home...I probably have you covered!

We have a great antique store right next door to us that is open several days a month and Honey Run Quilters is about 5 minutes or so down the street. Papa Murphy's Pizza is across the parking lot and Great Harvest Bread is across the street. They provide great baked goodies, coffee, sandwiches and soup. There are also a large number of restaurants that are less than five minutes away.

Our “My Time” studio is just that...a safe place from the world where we gather to sew, quilt, design and enjoy each other’s company. I have several groups that indulge in their time either monthly or weekly and others join me for workshops and extended retreats.

When I conduct my workshops and retreats I give everyone a key to the studio so they can come and go as they please. I provide light breakfast goodies and also cook lunch for you! You can check out dates and details on my website.

If your small group would like to reserve some studio time just for you please let me know! I’ll go thru the studio calendar and let you know what is available.

Honey Run Quilters is just a short distance down the street. At the signal turn left onto Cohasset and stay in the right lane. Go over the overpass and you will spot Cathy’s Sew and Vac on the right side close to the car dealership and Sherwin Williams. Address is 2418 Cohasset Road.

Lodging is always a concern so I have several options for you to choose from. I have been working with Oxford Suites for many years and they provide a nice discount.

Address: 2035 Business Lane, Chico Phone: 530-899-9090

The hotel is located right across from the Chico Mall off of 20th Street. I've had very good reviews from past retreaters on the rooms, staff and overall accommodations. They provide breakfast in the morning and a manager's snacky dinner in the evening with a beverage. There are many restaurants very close by.

You are responsible for making your own hotel reservations. Please go to: www.oxfordsuiteschico.com. Click on the BOOK NOW button (right hand corner).

Enter LINENQLTR in the "add corp/promo code" and it will take off about half the cost of your room.

Go ahead and enter your dates, find your suite and then check out.

My good friend, Alicia Negus, has a daughter who has an Air BnB VERY close to the studio! It is a cozy 1 bedroom, 1 bathroom guest suite with queen size pullout couch and kitchenette. It is located by Neal Dow school and only a few minutes from the studio. Check it out at: <https://airbnb.com/h/dpscentralchicocharmer>. Be sure to mention Cindy Needham's sewing retreat for a discount. Sunday-Thursday with discount is \$100/night. Friday/Saturday nights are \$120 with discount. There is a \$50 cleaning fee and a 10% TOT tax. Normal pricing is \$120 Sunday thru Thursday and \$150 Friday/Saturday.

The Best Western Heritage Inn is located at 25 Heritage Lane just across from HoneyRun Quilters. As of today's date it appears the rooms run about \$138 per night which seems to be for one bed or two. About five minutes-ish from the studio.

Directions to the Studio

If you are on Hwy 99 take the Cohasset Road exit off of the freeway. Depending on the direction you're coming from you will want to turn off of the off-ramp so you are going to Mangrove Avenue. The studio will be in a small strip of stores on the right hand side. You will see Papa Murphy's Pizza with the big green room and there's also a DMV Registration office on the end.

I'm looking forward to welcoming you to my new studio location! I'm very excited about all of our extra space and perks. Please let me know if you have any questions at all and check out my website for workshops and retreats.

Hugs, Cindy
