## Aqua Valley Water

Our water comes from a natural spring flowing underneath Coldbrook, Nova Scotia. Before going through reverse osmosis, our water already meets all federal and provincial health standards. The quality of our water and our bottles is our biggest priority.

<b>SPECIFIC MINERAL ANALYSIS</b>	<b>ND=Not Detected</b>
Total Dissolved Solids	30
Temperature upon receipt (°C)	17
Total Coliform (units)	Absent
E. Coli (Units)	Absent
pH (pH units)	6.29
Chloride (mg/L)	ND
Alkalinity (mg/L)	ND
Nitrate Nitrate-N (mg/L)	ND
Hardness (mg/L)	ND
Calcium	0.11
Copper	ND
Iron	ND
Magnesium	ND
Manganese	ND
Potassium	ND
Sodium	0.26
Sulphate	ND
Zinc	ND
