

SPICY CUCUMBER KIWI LEMONADE

*We took the really unique flavour of the Kaitaia Fire Waha Wera Kiwifruit and Habanero Hot Sauce and combined it with a traditional gin lemonade to create a uniquely spicy yet refreshing drink...and the gin is completely optional!

Ingredients (makes 3-4 cocktails)

120ml gin (optional)
500ml lemonade
250ml soda water
3-4 tsp Kiwi Hot Sauce
juice of half a lemon
half a lemon, sliced
8 thin slices of cucumber
ice

Method

1. Place ice in glasses or a pitcher
2. Add gin, lemonade, soda water, lemon juice, hot sauce and half the cucumber and stir.
3. Serve with remaining cucumber and lemon wedges.
