Features:

- Industrial strength galvanised steel
- Bluescope 100% Australian steel
- Frame: 20 x 20 x 1.6 Gal tube
- Shelves: 50 x 50mm Gal weldmesh
- Rounded edges for safety
- Strong - holds excessive weight
- No water penetration into parts
- No plastic parts. Detachable legs
- Designed for home or commercial use

Options:

- Industrial wheels 100mm (4) \$290
- Industrial wheels 100mm (6) \$435
- Top rail 110mm- add 20% to price
- Weldmesh size 25 x 25mm - add 25%

Height - 690mm. Lower shelf height - 150mm. Wheels adds 135mm to height.

BENCHES & STANDS

BENCHES & STANDS

The potting bench consists of a galvanised steel work tray with 3 raised side and galvanised steel frame and legs. Rounded edges for OH&S. All components slot together for easy assembly - no tools required. The lower shelf is made from 50 x 50mm steel mesh - useful for storage.
