

The Smoking Gun® Pro Hand-held Smoke Infuser

“Where there’s smoke, there’s flavor”

The Smoking Gun® Pro produces cold smoke, which allows it to be used for any kind of food or liquid. As a flexible hand-held device, it is easy to use for infusion or finishing with a variety of smoky flavors and aromas. Your selection of combustibles including various wood chips, teas, herbs, spices, hay, and even dried flowers is limited only by your imagination. The all-new Smoking Gun Pro features a large robust housing designed specifically to withstand commercial use.
