

The Classic RIB

More than just a tender

created
from a life
of adventure
and passion
for nature

Hey there!

Swellfish Outdoor Equipment Co. is a family-owned business that was started in 2017. It is driven by our family history of boating and adventure and our love of spending time in nature. Everyone should have the opportunity to explore the great outdoors, and that's why we're dedicated to creating products that make it easy and fun for you to do just that! Our customers drive us to keep innovating and introducing new ideas to help you experience the joy of nature. Whether you're a seasoned adventurer, fisherman, hunter, or just starting out, we've got something for you.

Your next adventure starts here!

take your tender to the next level of adventure

The Classic RIB is an excellent choice if you're in search of a durable and flexible RIB. This model is designed for high durability just like our FS Classic line. It features adjustable bench seating and added reinforcement to high-wearing areas, along with a wrap-around lifeline for additional safety. Moreover, the EVA non-skid floor adds an extra layer of safety. The high-grade aluminum deep V-Hull is designed to allow easy and safe passage of fuel and electrical lines under the deck, which makes it a smart choice for any adventure. The Classic RIB is ideal for those looking for a sturdy tender or a dedicated adventure vessel.

Swellfish 44

Safety at its Core

Our Classic RIBs feature a wrap-around lifeline, no skid EVA floors, and an internal safety line, to name a few features.

Precision Welded Hull and Transom

Our RIBs use high-grade marine aluminum that is machine-cut and meticulously welded. Reinforce where needed while keeping the weight down where possible.

Storage

The Classic RIB features two storage areas configured as a step. Use the upper storage to keep the anchor line tucked away and the main for fuel.
