Dear Store Manager,

My Name is _____

My Phone # is _____

I am interested in purchasing 1-2-3 Gluten Free baking mixes from your store. I would greatly appreciate if you contact them at 843-768-7231 for their retailer price list. These products are ones that I and a lot of your celiac and gluten-intolerant customers are anxious to incorporate into our diets.

If you should have any questions about the company or products, please review their web site at www.123glutenfree.com .

They can be reached by using the contact link on the web page or the Director of Marketing and Sales of the company is Carol Ullner and her e-mail is carol@123glutenfree.com .

I understand that 1-2-3 Gluten Free products are certified gluten free and kosher, and are free of many other allergens as well, so these products will appeal to many of your other customers. Please let me know when you have these products in and I will be your first customer for them. Thank you again for your time and stocking this along with the other gluten-free products.

Sincerely,
