REVOLUTIONARY FABRIC

Trimaco's One Tuff Wiping Cloth™ is engineered of Sontara® in a spun-lacing process, using needle-like jets of water to entangle fibers into one of the most durable wiping cloths available. It is ideal for a wide range of applications, including household and paint clean up, manufacturing, automotive and machinery repair and many more! With its bigger sheet size, strength and durability, you can use and re-use a One Tuff over and over!

- GREAT FOR PAINT CLEAN UP
- TOUGH ON ALL SURFACES
- DURABLE WET OR DRY
