

S 200 Product Specifications

Ideal Pool Length	Up to 12 m
Cycle time	2 hours
Filtration	Easy-clean net basket & set of ultra-fine filters
Brushing	Active brush for effective scrubbing and cleaning
PowerStream Mobility System	Enhanced navigation on floor, walls and waterline Constant grip on all pool surfaces in any pool conditions
Energy-Saver Power Supply	Industry leading energy efficiency
Cable Length	18 m
Weight	7.5 kg
Warranty	24 months

8109080 Ver. 01

About Maytronics

Nobody knows robotic pool cleaners like Maytronics – the company behind industry-leading Dolphin robots. For more than 30 years, we have been developing robotic cleaning solutions for the world’s swimming pools.

Starting in 1983, we pioneered automated electronic pool cleaning technology. Today, Maytronics remains the market leader, continually setting new standards for technological innovation, design and reliability.

In everything we do, we strive to make pool owners’ and users’ lives easier and more enjoyable.

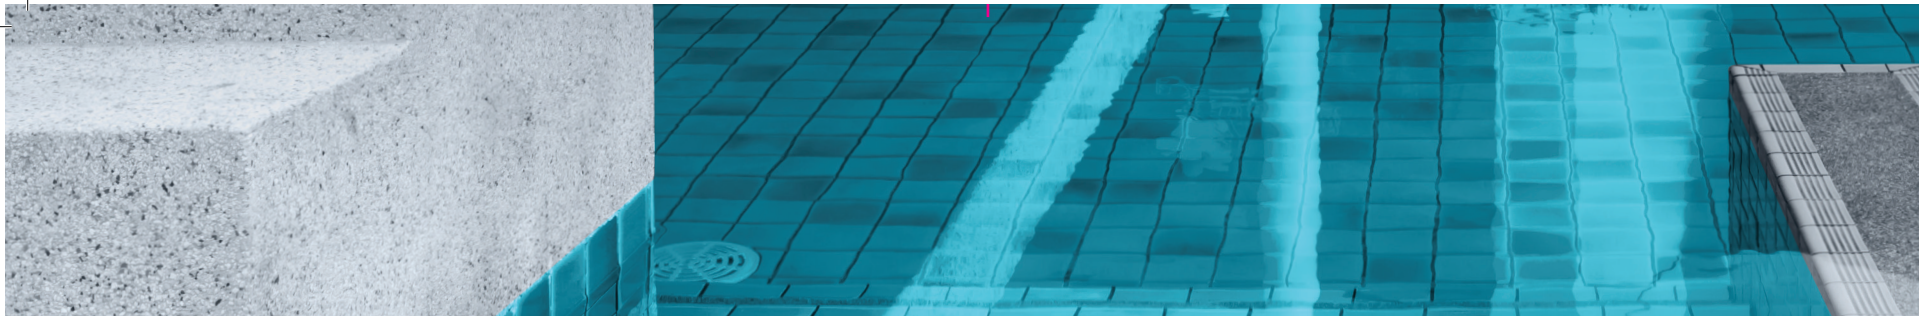

Our goal: to enable an exceptional experience of a pure, clean, safe and relaxing pool.

Exceptional Experience

Dolphin™

S200

Choose the highest performing robot for your pool

Experience superior Dolphin S pool cleaning, with this basic robot.

Dolphin S 200 is the pool cleaning robot that anyone can handle - thanks to its ultra-light weight and fast water release. It effectively cleans the floor, walls and waterline, for sparkling results every time.

Leave it all to Dolphin S 200 and enjoy:

Effortless operation

- Top-access filtration system – with quick, no-mess emptying and washing
- Lightweight, easy handling
- Fast, debris-free water release

Crystal-clear cleaning results

- Multi-layer filtration with fine and ultra-fine dirt capture
- Active brushing action scrubs away algae and bacteria
- Complete coverage of all pool surfaces with PowerStream mobility system

Peace of mind

- Proven reliability – made by Maytronics, the leader in robotic pool cleaners
- Designed with the safest electrical components in the industry
- Rapid service and repair

Dolphin S200

Get the best pool cleaning results for your pool. Choose between two filtration options to capture rough debris or fine dirt. The dual active brushing and PowerStream Mobility System ensure efficient pool coverage and cleaning results on all types of surfaces.

- Easy-Clean Net basket with choice of ultra-fine filters**: An icon showing a net basket with a '+4' symbol, indicating the number of filter layers.
- Quick water release**: An icon showing water being released from the bottom of the robot.
- Active Brushing Effective scrubbing and cleaning**: An icon showing the robot's brush scrubbing a surface.
- PowerStream Mobility System enhanced navigation and pool coverage**: An icon showing the robot's navigation system with arrows indicating movement.
- Easy to lift and handle**: An icon showing a feather, representing the robot's lightweight design.
- Fast Fix, easy repair**: An icon showing a wrench and a screwdriver, representing the ease of maintenance.
