

The vertical guides and lines indicate the splits between panels. It is recommended to minimise the amount of text split across panels.

Please be aware of the curved nature of the panels and bear this in mind when creating your design.

This template is setup at 20% scale of full size.

Artwork should be supplied:

- With fonts outlined
- As PDF (preferred), AI or EPS

These instructions and vertical guides should be removed before saving your print-ready PDF(s).

Please make full use of the bleed area and include this along with crop marks when exporting your print-ready PDF(s).
